WISEMBLY NOTES

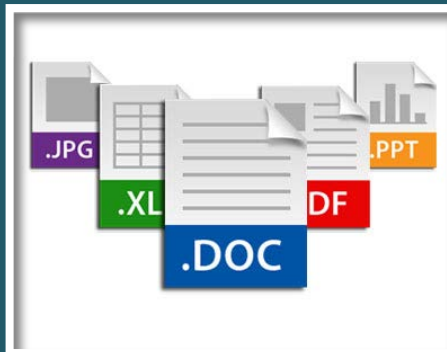

Wisembly Notes		Partager les notes Retourner à l'événement
	Terrain de basket-ball : une seule entreprise a répondu à l'appel d'offres concernant l'aménagement d'un terrain de basket-ball multisports pour un montant de 62 862 €. La commission a donc déclaré l'appel d'offres infructueux. D'autre part, la commune a obtenu deux subventions pour l'aménagement d'un terrain de basket et non pour un terrain multisports. La subvention DGE arrive à échéance le 12 juin prochain, celle du Conseil Général en fin d'année. Ces subventions représentaient un montant de 37 105.20 €.	
	Bien que le coût d'un terrain multisports soit plus onéreux qu'un simple terrain de basket, il semble qu'à ce jour, un terrain multisports soit plus approprié pour les jeunes de notre commune. Le CM décide d'abandonner les subventions actuelles et de faire de nouvelles demandes pour ce type de terrain au début de l'année 2010, afin d'avoir une couverture de charge plus importante.	
	Travaux voirie : Le CM choisit l'entreprise ATC. TP de Vigny (devis 15 400 €) dont la qualité des travaux paraît répondre mieux aux souhaits des membres du Conseil. Cette entreprise ne se contente pas de reboucher simplement les trous qui se recreusent rapidement mais utilise une technique avec un enrobé à l'émulsion projetée GREMAIR. Cette méthode, plus onéreuse, assure une longévité supérieure à des travaux de simple entretien. Ces travaux pourront être imputés en investissement avec récupération de la TVA.	
	Travaux de restructuration de la salle des fêtes « Opération 2 » du Contrat rural : Confortement de la structure : La remise en état de l'ensemble des façades y compris les chainages d'angle ainsi que la réfection des gouttières et des descentes d'eaux pluviales. Restructuration de l'entrée : Agrandissement de la cuisine et création d'un local poubelle. Le projet prévoit la finition des enduits et la mise en peinture de l'étage ainsi que la peinture de l'intérieur de	

WRITE A RECORD

An «assembly secretary» can easily take notes to assemble a record of your meeting. All the conference's key moments will be transcribed.

EASY COLLABORATION

The record is available to all participants. Late comers can easily learn what they missed so far and get going with the live.

KEEP TRACK

The final record can be read on Wisembly web platform by all participants. An email with all the notes can also be sent at the end of the event.

ET VOUS ?

WHAT THEY SAY ABOUT US

« I have been waiting for somebody to do this! This is what innovation is about. I love it! If we had Wisembly in the US, right now any conference in the Silicon Valley would have it. »

Jason Calacanis, Founder of the LAUNCH Conference & Open Angel Forum

« Everybody adored Wisembly: it's a new way of interacting that didn't exist before [...] Wisembly enables you to go beyond the presentation and start the conversation. »

Georges-Édouard Dias, SVP Digital Business L'Oréal

« The Wisembly Questions show a very active participation from the audience. I believe we generally learn more from the questions than we learn from the answers.. »

Maurice Lévy, CEO Publicis
